**REQUEST FOR CONTINUED EXAMINATION AND AMENDMENTS TO THE CLAIMS**

Dear Sir:

This RCE has been filed to continue the examination. An amendment is submitted to amend the claims before the Examiner considers the claims. The Amendment to the claims was discussed on page 8 of the Amendment After Final Rejection of the parent case. In the Advisory Action, the Examiner stated that the Amendment would overcome the first paragraph rejection under 35 USC 112.

Amendments to the Claims begin on Page 2 of this report.
